Marriage and Family - James P. Trotzer - 1986
This book provides readers with the knowledge and skills needed to engage effectively in marriage and family life. The first chapter provides an overview of the book's content. Concepts relative to individual growth and development, and the movement toward intimacy are presented with emphasis on the teen age, young adult, and adult phases of the life cycle. The second chapter makes a case for knowing oneself as a basis for making effective choices in marriage and family life. The third chapter explores interpersonal relating as a foundation for the process of relationship development in the context of marriage and family life. The fourth chapter investigates the nature and impact of common factors which form today's environment. The fifth chapter explores the impact of one's family of origin, and the sixth chapter explores the process and experience of dating and courtship. The seventh chapter addresses the meaning and experience of marriage. The concept of commitment and the importance of love and respect are stressed. The eighth chapter discusses the family as a system. The ninth chapter addresses the special issues and problems of a remarried life. Dynamics of healthy family functioning that account for forming an effective new unit while honoring legacy connections of past relationships are stressed. The tenth chapter presents an overview of professional and community resources available to couples and families. (LLL)

Ready to Wed - Greg Smalley - 2015-04-16
Rings. Dress. Cake. You’re engaged, and the checklist for the day of your dreams is a mile long. In the who, what, where, and how of planning, the why can be forgotten. Ready to Wed discusses 12 Traits of a thriving marriage and offers a variety of topics to guide and advise those preparing to say, “I do!” Learn to: Define a vision statement unique to your marriage. Positively engage conflict to build a foundation of trust and forgiveness. “Leave and cleave,” even if you are a child of divorce. Manage and the chore wars. Cope with change, stress, and crisis—especially in your first year. Build a community of support and find mentors. Assess your progress using the Couple Checkup. Loaded with advice, tips, and instructions, this valuable resource is ideal for soon-to-be-newlyweds and those who support them!

Getting Ready for Marriage Workbook - Dianne C. Sloan - 2016-10-11
The saying goes “When you marry, you don’t just marry an individual, you marry a whole family.” But more specifically, you are marrying the influences that family has had on your spouse. Our families have shaped our views on everything from religion to finances to sex, and, whether helpful or harmful, these views are brought to our marriage and can unknowingly affect it. Getting Ready for Marriage Workbook helps engaged couples and newlyweds: learn what “ghosts” they bring to marriage examine their family backgrounds determine guidelines for their own marriage Through interactive exercises, couples discover the roots of their beliefs, sight potential problem areas, and learn how to successfully work through problems. Couples are then encouraged to make their own covenants in specific areas such as financial matters, resolving conflict, religious orientation, and family planning & children—essential in building a strong marriage partnership.

Ready for Responsibility - Robert G. Barnes - 1996-12
Dr. Bob Barnes offers practical suggestions and specific advice on how to teach children the skills that they need to be good employees and marriage partners. Using stories and personal anecdotes, Barnes talks about such issues as dating, allowances, manners, communication skills, responsibilities, authority, sex education and more. But not only does he give advice, Dr. Barnes also helps parents apply the insights and create their own specific plan for parenting.

[PDF] Marriage And Family Better Ready Than Not
Yeah, reviewing a books marriage and family better ready than not could go to your near associates listings. This is just one of the solutions for you to be successful. As understood, talent does not suggest that you have astounding points.

Comprehending as capably as bargain even more than additional will give each success. bordering to, the notice as competently as perception of this marriage and family better ready than not can be taken as capably as picked to act.
Over the past three decades, skyrocketing numbers of women have chosen to start their families in their late thirties and early forties. In 2005, ten times as many women had their first child between the ages of 35 and 39 as in 1975, and thirteen times as many had their first between 40 and 44. Women now have the option to define for themselves when they’re ready for family, rather than sticking to a schedule set by social convention. As a society, however, we have yet to come to terms with the phenomenon of later motherhood, and women who decide it makes sense for them to delay pregnancy often find themselves confronted with alarmist warnings about the dangers of waiting too long. In Ready, Elizabeth Gregory tracks the burgeoning trend of new later motherhood and demonstrates that for many women today, waiting for family works best. She provides compelling evidence of the benefits of having children later — by birth or by adoption.

Gregory reveals that large numbers of women succeed in having children between 35 and 44 by the usual means (one in seven kids born today has a mom in that age range), and that many of those who don’t succeed nonetheless find alternate routes to happy families via egg donation or adoption. And they’re glad they waited. Without ignoring the complexities that older women may face in their quest to have children, Gregory reveals the many advantages of waiting: Stronger family focus: Having achieved many of their personal and career goals, new later moms feel ready to focus on family rather than trying to juggle priorities. More financial power: New later moms have established careers and make higher salaries. Greater self-confidence: New later moms have more career experience, and their management skills translate directly into managing a household and advocating for their children. More stable single-parenting: New later moms who are single have more resources. High marriage rate: On average, 85 percent of new later moms are married, lending stability to the family structure. Longer lives: Evidence indicates that new later moms actually live longer than moms who start their families earlier. Based on in-depth research, Ready shatters the myths surrounding later motherhood. Drawing on both the statistical evidence and the voices of the new later mothers themselves, Gregory delivers surprising and welcome news that will revolutionize the way we think about motherhood.

The saying goes "When you marry, you don't just marry an individual, you marry a whole family." But more specifically, you are marrying the influences that family has had on your spouse. Our families have shaped our views on everything from religion to finances to sex, and, whether helpful or harmful, these views are brought to our marriage and can unknowingly affect it. Getting Ready for Marriage Workbook helps engaged couples and newlyweds: learn what 'ghosts' they bring to marriage examine their family backgrounds determine guidelines for their own marriage Through interactive exercises, couples discover the roots of their beliefs, sight potential problem areas, and learn how to successfully through problems. Couples are then encouraged to make their own covenants in specific areas such as financial matters, resolving conflict, religious orientation, and family planning & children-essential in building a strong marriage partnership.

Solving Problems In Couples And Family Therapy - Robert Sherman - 2013-05-13
First Published in 1992. Routledge is an imprint of Taylor & Francis, an informa company.

Counseling Techniques - Rosemary A. Thompson - 2015-08-27
The third edition of Counseling Techniques follows in its predecessors’ steps, presenting the art and science of counseling in a clear and common-sense manner that makes it accessible for counseling students and seasoned practitioners alike. New to this edition are chapters on play therapy and a host of other updates that illustrate ways to use different techniques in different situations. Counseling Techniques stresses the need to recognize and treat the client within the context of culture, ethnicity, interpersonal resources, and systemic support, and it shows students how to meet these needs using more than five hundred treatment techniques, each of which is accompanied by step-by-step procedures and evaluation methods.

By the time the average couple tries to have kids, they are often beyond their late twenties and surprised to learn they are sliding past the peak of their fertile years. In Start Your Family, Steve and Candice Watters encourage couples to be intentional about their timeline in the early years of marriage union—one that doesn’t shy away from sticky areas and tough topics—in order to develop a solid course from the very beginning. Jim and Doug apply decades of frontline experience working with couples into this fresh and practical resource. Organized in nine highly relevant sessions, the challenges posed by our cultural, postmodern arena is addressed by the author in insightful fashion, offering theologically-based guidelines integrated to sound psychological principles, applicable to psychotherapeutic and counseling endeavors as well as to pastoral care.

Getting Ready for Marriage Workbook - Jim Burns - 2015-02-01

Pulling off a successful wedding is one thing but fortifying a lifelong relationship is an entirely different endeavor. Relationship experts Jim Burns and Doug Fields invite couples to take a proactive approach to their marriage union—one that doesn’t shy away from sticky areas and tough topics—in order to develop a solid course from the very beginning. The New Covenant as a Paradigm for Optimal Relations - Pablo Polischuk - 2016-10-07

The New Covenant as a Paradigm for Optimal Relations regards the New Covenant primarily as a gracious and merciful redemptive deal, springing from God’s unilateral, unconditional, and proactive initiative. The New Covenant is adopted as representing both a salvific and an exemplary paradigm that displays God’s gracious and merciful ways toward his children. Ten discrete, yet interwoven principles are extracted from, interpreted, and abstracted from Scriptures pertaining to the promised New Covenant. These principles apply to those who, as dearly beloved children, are invited to imitate God’s loving ways. God’s manner of love defines the foundational basis of which the author elaborates and elaborates propositions that guide the considerations pertaining to thoughts, feelings, motivations, and behaviors that enter into play in relational transactions. In terms of style, an architectural design permeates the content of this book, offering and encompassing a metacognitive view of God’s covenantal ways: a top-down perspective that applies to bottom-up endeavors of relational nature. The challenges posed by our cultural, postmodern arena is addressed by the author in insightful fashion, offering theologically-based guidelines integrated to sound psychological principles, applicable to psychotherapeutic and counseling endeavors as well as to pastoral care.

Counselor and The Group - James P. Trotzer - 2013-03-07

The third edition of this text is expanded and embellished by the addition of chapters by noted group experts. It is logically organized into chapters that present the merits, rationale, dynamics, process and developmental tasks of group counseling. It discusses leader and member dynamics in depth, provides technical guidance for organizing and running groups, and gives special emphasis to the use of structured activities in groups and the relevance of family theory as a resource to group leaders. Readers will not only learn about groups but will learn how to lead groups. The group process model presented is explained clearly using language and diagrams that are easy to follow. The activities at the end of each chapter provide an experiential extension to the content so that readers can internalize and apply concepts. The book is intended to be a hands-on tool that will give credence to groups as a helping process in which clients learn to solve personal and interpersonal problems, learn and grow in personally meaningful ways.

Offering a positive view of the family, Cox’s HUMAN INTIMACY: MARRIAGE, THE FAMILY, AND ITS MEANING, Eleventh Edition discusses the characteristics of successful intimate relationships, and teaches the decision-making skills that lead to strong marriages and families. You’ll find coverage of such topics as diversity within the American family (including rural and military families), gay marriage, singles, cohabitation, gender roles, theories of love, date rape and courtship violence, and parenting and life stages. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Favorite Counseling and Therapy Techniques - Howard G. Rosenthal - 2011-01-11

In the new edition of this highly popular book, Howard Rosenthal once again brings together a group of prominent therapists who share their insightful, pioneering, and favorite therapeutic techniques. These therapists include such well-known figures as Albert Ellis, Arnold Lazarus, William Glasser, Raymond Corsini, and Allen E. Ivey. Many of the classic entries in the previous edition are once again included, some unaltered and others updated, while several new chapters have been added to reflect the newest advancements in the counseling field. For practitioners wondering what methods to use when working with clients and what they can prescribe for them between sessions, or for those who simply are interested in gaining insight into the thoughts and minds of such eminent therapists, the more than 50 entries in this text are sure to be both highly useful and exciting reads.

Faith in the Spotlight - Megan Alexander - 2017-08-29

Megan Alexander is a national correspondent for Inside Edition and a special correspondent for Thursday Night Football on CBS. In Faith in the Spotlight she shares her practical advice for achieving excellence in career, faith, and family and gives us an honest look at thriving in a secular industry as a believer. At just thirty-five, Megan Alexander has successfully built a career in the competitive television industry without compromising her faith and values. But while she has experienced the triumphs of that dynamic entertainment lifestyle, she knows how difficult it can be for Christian women to get ahead in their careers and simultaneously navigate their roles at home and in their faith. She offers a fresh and millennial-centered perspective on how to build a successful career while being married and raising a family. In Faith in the Spotlight, Megan addresses how to succeed in your career while also staying true to your beliefs. She gives inspiring, real-life examples of why women can—and should—lead in the workplace. She also shares valuable insight and behind-the-scenes stories from her interviews with famous athletes, media moguls, entertainers, and more. Drawing on her experience, she offers advice for plotting a career path, negotiating job contracts, competing and succeeding with the best and the brightest, and navigating difficult situations while maintaining strong faith and values. She also writes about the importance of mentors, coping with rejection, handling high-pressure situations, and the ways being a Christian fulfills her role in a superficial society. Faith in the Spotlight is an intelligent, thought-provoking book about achieving success, and will leave anyone empowered to dive into their career!

Resources in Education - 1992-07
Resources in Education - 1992-07

Ready to Talk - Mary Sanger - 2015-07-31
Learn how therapy can help you create the life you desire. Ready to Talk: A
Companion Guide to Psychotherapy is a hands-on guide for anyone
currently engaged in psychotherapy or considering it for the first time. It's
also well-suited for those who've tried psychotherapy in the past but were
dissatisfied with results. As an experienced psychotherapist, author Mary
Sanger has often heard questions such as, “How does therapy work?” and
“How long will I need to be in therapy?” Of course, the answers are different
for everyone but Sanger recognized in her own practice that her clients
could not only enhance but also expedite their therapy if they had ongoing
access to some basic, strategic information about the therapeutic process works. In straightforward language and an easy-to-read format,
Sanger explains how one's past may inform one's present, but that it doesn't
rule it. Essentially, each of us is the author of our own story. Ready to
Talk helps you get the most out of therapy as quickly as possible. In
Ready to Talk, Sanger discusses in detail the difference between simply
“feeling better” (which frequently occurs in the early stages of therapy) and
“getting better” (which creates lasting positive changes but requires
commitment and regular client participation). With an emphasis on the
Family Systems Theory developed by Dr. Murray Bowen, Sanger
streamlines the process of knowing and understanding the basic self -
providing questionnaires, client examples and interactive exercises that give the
therapeutic client opportunities to “do the work” between sessions as
well as thoughtfully prepare for appointments so that the client can make the
most of them. Readers will learn how to challenge current beliefs that are no longer serving them well, recognize and change unhelpful thought
patterns and self-defeating behaviors, manage emotions so that
relationships are more enjoyable, and understand how others’ beliefs and
emotions don’t have to control their lives. It’s an indispensable book for
those seeking a healthier, richer, and more pleasurable daily life. The
chapter titles are: Chapter 1“What Brings You Here?” Why People Seek
Therapy Chapter 2What Goes On in the Room?: How Does Therapy Work?
Chapter 3What Are the Goals of Therapy?: Feeling Better vs. Getting Better
Chapter 4Thoughts and Feelings: What’s the Difference? What’s the Definitive
Differentiation of Self: Come Here - Now, Go Away! Chapter 6Managing
Feelings: Feelings Are Neither Good Nor Bad Chapter 7The Importance of
Journaling: Seeing is Believing Chapter 8Relationship Patterns: Healthy Relationship Requires Readiness - Giving a Basic Self
Meet Your New Best Friend - YOU Chapter 10Distorted Thinking: It’s Not What
You Think Chapter 11Defense Mechanisms: Are They “Evil” or Necessary?
Chapter 12Boundaries: Respect for Others Begins with Self Chapter 13Communication: Ready to Talk - with Others Chapter 14It’s Complicated:
Setbacks, Obstacles and Stumbling Blocks Chapter 15Our Time is Up: Conclusion

Nurturing Child and Adolescent Spirituality - Karen-Marie Yust - 2006
Nurturing Child and Adolescent Spirituality: Perspectives from the World’s
Religious Traditions provides a forum for prominent religious scholars to
examine the state of religious knowledge and theological reflection on
spiritual development in childhood and adolescence. Featuring essays from
thinkers representing the world’s major religious traditions, the book
introduces new voices, challenges assumptions, raises new questions, and
broadens the base of knowledge and investment in this important domain of
life. It specifically and intentionally focuses on theological and philosophical perspectives from within religious traditions, creating space for the
religious traditions to find their voices. Nurturing Child and Adolescent
Spirituality is firmly grounded in the language and priorities of religious
studies, and helps stimulate explorations of whether and how religious
communities are tapping their own wisdom and strengths in nurturing
today’s young people in a complex and changing world. Nurturing Child and
Adolescent Spirituality will set the stage for new waves of scholarship and
dialogue within and across traditions, disciplines, and cultures that will
enrich understanding and strengthen how the world’s religious traditions,
and others, understand and cultivate the spiritual lives of children and
adolescents around the globe.

Why There Are No Good Men Left - Barbara Dafoe Whitehead - 2008-12-24
A hard-hitting, groundbreaking exploration of the new mating conditions that are changing the face of love, commitment, and marriage as we know it. A double revolution is at work in modern American love: A revolution in higher education has created the most successful, self-reliant, and independent generation of young women in history, and a revolution in
marriage has created a prolonged and perplexing search for Mr. Right. Based on extensive research and interviews, Why There Are No Good Men Left explores the romantic plight of this high-status woman with findings that are sure to rouse debate. Cultural historian, Barbara Dafoe Whitehead documents the new social climate in which the demands of work, the
future marriage is a book of prayers for anyone who feels strongly about standards of educated women are leading them to stay single longer—and to find the search for a mate even harder when the time is right. But the frontlines of college, where dating is dead, to the trenches of corporate solitude, Whitehead reports on a wholesale shift that has stacked the marriage deck against the best and brightest women. The thirty-something, perplexed single woman is today’s new cultural icon. Women Who Are No Good Men Left is the first book to take a serious approach to analyzing where she came from and to ask how she can realize her dreams of lasting love.

Why There Are No Good Men Left - Barbara Dadoe Whitehead - 2008-12-24

A hard-hitting, groundbreaking exploration of the new mating conditions that are changing the face of love, commitment, and marriage as we know it. A double revolution is at work in modern American love: A revolution in higher education has created the most professionally accomplished and independent generation of young women in history, and a revolution in marriage has created a goldilocks hole in perception. Based on extensive research and interviews, Why There Are No Good Men Left explores the romantic plight of this high-status woman with findings that are sure to rouse debate. Cultural historian, Barbara Dadoe Whitehead documents the new social climate in which the demands of work, the epidemic of cohabitation, the disappearance of courtship, and the exacting standards of educated women are leading them to stay single longer—and to find the search for a mate even harder when the time is right. From the frontlines of college, where dating is dead, to the trenches of corporate solitude, Whitehead reports on a wholesale shift that has stacked the marriage deck against the best and brightest women. The thirty-something, perplexed single woman is today’s new cultural icon. Why There Are No Good Men Left is the first book to take a serious approach to analyzing where she came from and to ask how she can realize her dreams of lasting love.

Ready for Marriage - Debbie Macomber - 2018-05-14

One for the keeper shelf! Enjoy again this classic romantic romp from #1 New York Times bestselling author Debbie Macomber. Three years ago, Mary Jo Summerhill fell completely and utterly in love with Evan Dryden. But she was a kindergarten teacher, and he was a Boston blue blood with political ambitions. His family said she wasn’t the “right kind of wife” for Evan. Mary Jo argued that didn’t belong in his world. So she lied and broke his heart. But now Mary Jo’s parents are facing legal trouble, and she needs the best advice she can get. She needs Evan. Only Evan isn’t about to let Mary Jo off so easily. He wants answers to all the questions he’s had for the past three years: Why did she leave? Does she still love him? Do they have a second chance? Originally published in 1994

Ready for Marriage - Debbie Macomber - 2018-05-14

One for the keeper shelf! Enjoy again this classic romantic romp from #1 New York Times bestselling author Debbie Macomber. Three years ago, Mary Jo Summerhill fell completely and utterly in love with Evan Dryden. But she was a kindergarten teacher, and he was a Boston blue blood with political ambitions. His family said she wasn’t the “right kind of wife” for Evan. Mary Jo argued—that didn’t belong in his world. So she lied and broke his heart. But now Mary Jo’s parents are facing legal trouble, and she needs the best advice she can get. She needs Evan. Only Evan isn’t about to let Mary Jo off so easily. He wants answers to all the questions he’s had for the past three years: Why did she leave? Does she still love him? Do they have a second chance? Originally published in 1994

Catholic Prayer for Marriage, Family and Prayers for Catholic Couples (Prayers to Discover and Connect with Your Spouse) - Catholic Common Prayers - 2020-05-18

Marriage is one of the greatest gifts God ever created for mankind. Family life today can be so fast-paced and hectic that couples rarely carve out the time to pray together. God is the third cord in the union of marriage that fortifies the bond. Strengthening your marriage takes a deliberate decision on your part, studying of God’s Word, and prayer. This book of prayers will lead you, your spouse, children and family back to the path of humility, gratitude, and submission. These prayers will free your marriage from the bondage of unforgiveness, malice, resentment, anger, and sin, which are the causes of unhappiness. For singles seeking for a good spouse, You are made for greatness. God has your love story in His hands go to him in prayers using the novena prayers in this book and asking the patron saints for marriage. Novena prayers to St Joseph, St Anne, St Rita, St Jude, Sacred heart of Jesus for marriage to intercede for you. Some of the prayers in this book is meant for single men and women who desire the intimacy of marriage, singles currently in a serious relationship, and or who are engaged, planning for their wedding day! There are also prayers for parents to pray for their teenagers to help them find their right and proper path in their step in relationships and in friendships and for their hearts to be attune to what God has for their getting married and cares for the heart of their future spouse. This book will help you to begin your lifelong journey of praying for your future spouse and marriage. God wants you happily married, fulfilled, and freely expressing and receiving the love you desire to experience in your marriage. “Two can stand back-to-back and conquer. Three are even better, for a triple-braided cord is not easily broken.” Ecclesiastes 4:12 Are you ready to use the power of prayer to transform your marriage, family for the better or to finally meet your soulmate and get married? Some of the prayers you will find in this book: - Prayers to unlock the surpassing joy and peace available to you by allowing God to lead your marriage into a deeper state of blessing, happiness, and intimacy. - Prayers to remove barriers or behaviors that are hindering you from experiencing the fullness of God’s and/or your spouse’s love. - Prayers of blessings over our children, prayers for a great future for them and for success in studies and destiny - Prayers for peace, love, understanding, better communication in marriage and prayers for troubled relationships and marriage - Novena prayers to St Anne for meeting of your spouse and a good and faithful marriage - Novena prayers to St Raphael the Archangel for divine connectivity with your ideal and good life partner. - Novena Prayers to St Jude for impossible issues and cases affecting your family and marriage. - Novena Prayers to St Valentine for a happy and faithful Marriage - Novena Prayers to St Rita for a troubled Marriage - Novena Prayers for couples to the sacred heart of Jesus - Marriage Anniversary Prayers, prayers for engaged couple and prayers for family facing challenges(finances, health, employment, infertility etc) and many more. - Grab your copy now

in 101 Tips for Marrying the Right Person offer short, practical suggestions that will help you find a mate and build a strong relationship. You’ll find advice for meeting other Catholic singles, questions to ask yourself before getting too serious, and topics to talk about before engagement. Tips include: When you’re on the first date, or once you’re in a relationship, see if your partner is interested in marriage, and if it is, talk about it before getting too serious. If you’re interested in someone who isn’t Catholic, have an open discussion about how you see the future of your relationship and potential marriage. Morse and Kerekes clearly articulate the challenges that face single Catholics today. The hook-up and cohabitation culture is prevalent in our society and in the media, making the temptation to succumb strong. The authors want you to know that you aren’t weak for being interested in these options, but you are strong enough to resist them. You can combat these challenges by recognizing single life and dating as ideal times to discern your own call to the vocation of marriage as well as your dating relationship’s readiness for the sacrament.

101 Tips for Marrying the Right Person - Jennifer Roback Morse - 2016-10-10

Are you confused about how to find your true love? Do you want to work on a current dating relationship, preparing it for engagement and marriage? Packed into 101 bite-sized suggestions, 101 Tips for Marrying the Right Person is the help you need to approach dating with confidence and joy, while at the same time helping you become the best, most marriage-ready version of yourself. Jennifer Roback Morse and Betsy Kerekes offer inspiration and advice for all stages of your relationship. With research conducted by the Ruth Institute and almost fifty years of marriage experience between them, authors Jennifer Roback Morse and Betsy Kerekes have compiled their best tips to inspire and support Catholic singles during all stages of dating and engagement. The life-changing ideas in 101 Tips for Marrying the Right Person offer short, practical suggestions that will help you find a mate and build a strong relationship. You’ll find advice for meeting other Catholic singles, questions to ask yourself before getting too serious, and topics to talk about before engagement. Have a Happy Family by Friday - Dr. Kevin Leman - 2014-08-26

Every member of a family plays a vital role in the health and happiness of the household. Everyone is important, deserves to be treated with love and respect, and needs to know that when they make mistakes they will still be loved unconditionally. And when every member of the family is pulling for each other and on the same team, everybody wins. But is this kind of family life even possible? Parenting expert Dr. Kevin Leman says it is, and he’s ready to show moms and dads exactly how they can make it happen in their
and kindly · prioritize the right things · maintain great attitudes and behaviors · determine the role they play in the family structure · make family time count. As always, Dr. Leman's outstanding advice is laced with humor, great stories, and the wisdom that comes only from a lifetime of experience. For parents who've had it up to here with bickering, hurt feelings, and emotional exhaustion, Have a Happy Family by Friday is just what the doctor ordered.

Everyone is important, deserves to be treated with love and respect, and needs to know that when they make mistakes they will still be loved unconditionally. And when every member of the family is pulling for each other and on the same team, everybody wins. But is this kind of family life even possible? Parenting expert Dr. Kevin Leman says it is, and he's ready to show moms and dads exactly how they can make it happen in their family—in just five days. He shows families how to · communicate honestly and kindly · prioritize the right things · maintain great attitudes and behaviors · determine the role they play in the family structure · make family time count. As always, Dr. Leman's outstanding advice is laced with humor, great stories, and the wisdom that comes only from a lifetime of experience. For parents who've had it up to here with bickering, hurt feelings, and emotional exhaustion, Have a Happy Family by Friday is just what the doctor ordered.

Handbook of Marriage and the Family · Suzanne K. Steinmetz · 2013-11-11
The lucid, straightforward Preface of this Handbook by the two editors and the comprehensive perspectives offered in the Introduction by one of them leave little for a Foreword to add. It is therefore limited to two relevant but not intrinsically related points vis-a-vis research on marriage and the family in the interval since the first Handbook (Christensen, 1964) appeared, namely: the impact on this research of the politicization of the New Right! and of the Feminist Enlightenment beginning in the mid-sixties, about the time of the first Handbook. In the late 1930s Willard Waller noted: "Fifty years or more ago about 1890, most people had the greatest respect for the institution called the family and wished to learn nothing whatever about it. . . . Everything that concerned the life of men and women and their children was shrouded from the light. Today much of that has been changed. Gone is the concealment of the way in which life begins, gone the irrational sanctity of the home. The aura of sentiment which once protected the family from discussion clings to it no more . . . We want to learn as much about it as we can and to understand it as thoroughly as possible, for there is a rising recognition in America that vast numbers of its families are sick-from and to understand it as thoroughly as possible, for there is a rising discussion clings to it no more . . . We want to learn as much about it as we can.

Missing Links in Marriages & Families Journey · Dr. Annieke Ravhudzulo · 2019-05-10
There is something different about this book. Many couples are confused about how to find the will of God for their lives, marriages, and families. Do you desire for more intimacy and passionate linking? Do you miss the feeling of togetherness that you and your spouse felt when you first met? As a couple, is it a problem for you to communicate openly? Are you scared that being honest will hurt each other’s feelings? Maybe you are feeling discouraged by stubborn arguments over apparently irrelevant issues.
