Dr. Judith Orloff's Guide to Intuitive Healing – Judith Orloff - 2012-05-09

Through 5 practical steps, Dr. Orloff's guide will show you how to recognize, nurture, and affirm your intuitive abilities, so that you can utilize it to help heal yourself. This guide offers readers the tools to enter the heart of a radical revolution in health care: the union of medicine and intuition, of body, mind, and soul. Intuition plays an indispensable role in self-diagnosis, pain control, immune response, and recovery from acute and chronic illness; it can lead you to breakthroughs in anxiety, panic, depression, and other emotional blockages, even when traditional psychotherapy has failed. Intuition also offers insights into the use of medications and the selection of the right healer for your needs. Further, it is integral for sexual healing, since sexuality is a potent connector and energy source for clarifying spirituality and improving vitality. With Dr. Orloff's 5 practical steps, you'll learn how to recognize, nurture, and affirm your intuitive abilities, so that you can utilize it to help heal yourself – even when traditional psychotherapy has failed. This is a comprehensive, holistic handbook from which nurses can select practical and easy-to-use techniques to sustain their bodies, minds and spirits as they meet the challenges of their daily practice.

Breast Cancer Nursing Care and Management – Victoria Harmer - 2011-09-14

This book is an excellent resource for nurses working in either a hospital or primary care setting. It's a comprehensive guide to the assessment, treatment, and follow-up of patients with breast cancer. It provides state-of-the-art information on the philosophy and approaches to breast cancer care.

Offering a blend of holistic and humanistic caring coupled with aggressive management of pain and symptoms associated with advanced disease, this approach encourages nurses to delve deeper into the material and reflect on what they have learned in each chapter. This text is organized by the five core values contained within the American Holistic Nurses Association (AHNA) Nurse Healer, Nurse Helper, Nurse Educator, Nurse Researcher, and Nurse Self-Care.

**The Healing Touch**

Norma Dearing - 2002-03-01

Our society is brimming with people suffering the effects of past abuse, rejection, physical illness, had choices, and unhealthy relationships. Author and radio personality Norma Dearing has spent hours of hours listening to and praying with those in need of emotional, physical, or spiritual healing. In The Healing Touch, she shares stories from countless people who have been set free from unhealthy relationships, unholy unions, addictions, generational influences, and physical illnesses associated with these. The Healing Touch is divided into three sections: Healing our Relationship with God, How to Have a Right Relationship with God, and Living within a Right Relationship of God. The book includes specific prayers for healing in the reader's own life and prayer for others in need. Dearing also covers rarely addressed problems such as healing from occult experience and pre-birth traumas, and explores the issue of why some people are not healed. This handbook is for counselors, lay leaders, pastors, and individuals who want to see people delivered from the unnatural ravages of hurt and sin. It is a powerful reminder that God longs for his people to be healthy and whole.

**OR Nurse - Healing Prayer For The Sick**

- Zane Robinson Wolf - 1994
