Gresham - George R. Miller - 2011-03-21
The history of Gresham, Oregon, is rooted in the pioneers who trekked along the Oregon Trail in the 1800s. Traveling down the Columbia River or over the precipitous route by scenic Mount Hood, they arrived in what was then called Powell Valley, so named by the first settlers. They found trees that were unparalleled, tall, and straight, which they used to build their first communities. The rich, fertile land was cleared to grow an array of crops that would eventually make the area well known for its agriculture.

Ray Stanford Strong, *West Coast Landscape Artist* - Mark Humpal - 2017-12-14
Throughout his long and prolific career, Ray Stanford Strong (1905–2006) strove to capture the essence of the western American landscape. An accomplished painter who achieved national fame during the New Deal era, Strong is best known for his depiction of landscapes in California and Oregon, rendered in his signature plein air style. This beautiful volume, featuring more than 100 color and black-and-white illustrations, is the first comprehensive exploration of Strong’s life and artistry. Through family papers, archives, photographs, and a two-year series of interviews conducted with the artist personally, Mark Humpal traces Strong’s journey from his childhood on an Oregon berry farm to his emergence as one of the most important landscape artists of the 20th century.
experimenting with abstract expressionism, York and San Francisco. After moving back to the West Coast, Strong produced important works for the WPA, executed major diorama projects for two world expositions, helped organize the Santa Barbara Art Institute, and served as teacher and mentor for a new generation of plein air artists. But, as Humpal emphasizes, Strong distinguished himself by resisting the drumbeat of the avant-garde. During an era when many artists were experimenting with abstract expressionism, Strong never relinquished his personal vision and adherence to a more traditional style. With his outgoing personality, he forged friendships and associations with such prominent artists as Frank Vincent DuMond, Maynard Dixon, Ansel Adams, Frank Lloyd Wright, and John Steinbeck. Ultimately, Strong had little concern for his place in the sweep of art history. The proficiency he achieved through years of formal and informal study allowed him to craft a personal style difficult to categorize but unique and engaging. By expanding our understanding and appreciation of Strong’s artistic contributions, this book offers a fitting tribute to one of America’s finest landscape artists.

Nightmare Alley - William Lindsay Gresham - 2011-04-06

Soon to be a major motion picture from Academy Award–winning director Guillermo del Toro and starring Bradley Cooper, Cate Blanchett, Rooney Mara, and Toni Collette. Nightmare Alley begins with an extraordinary description of a carnival-show geek—alcoholic and abject and the object of the voyeuristic crowd’s gleeful disgust and derision—going about his work at a county fair. Young Stan Carlisle is working as a carny, and he wonders how a man could fall so low. There’s no way in hell, he vows, that anything like that will ever happen to him. And since Stan is clever and ambitious and not without a useful streak of ruthlessness, soon enough he’s going places. Onstage he plays the mentalist with a cute assistant (before long his harried wife), then he graduates to full-blown spiritualist, catering to the needs of the rich and gullible in their well-upholstered homes. It looks like the world is Stan’s for the taking. At least for now.

The War Outside My Window - Janet Croon - 2018-06-01

LeRoy Wiley Gresham was born in 1847 to an affluent slave-holding family in Macon, Georgia. After a horrific leg injury left him an invalid, the educated, inquisitive, perceptive, and exceptionally witty 12-year-old began keeping a diary in 1860–just as secession and the Civil War began tearing the country and his world apart. He continued to write even as his health deteriorated until both the war and his life ended in 1865. His unique manuscript of the demise of the Old South—lauded by the Library of Congress as one of its premier holdings—is published here for the first time in The War Outside My Window: The Civil War Diary of LeRoy Wiley Gresham, 1860-1865. LeRoy read books, devoured newspapers and magazines, listened to gossip, and discussed and debated important social and military issues with his parents and others. He wrote daily for five years, putting pen to paper with a vim and tongue-in-cheek vigor that impresses even now, more than 150 years later. His practical, philosophical, and occasionally Twain-like hilarious observations cover politics and the secession movement, the long and increasingly destructive Civil War, family pets, a wide variety of hobbies and interests, and what life was like at the center of a socially prominent wealthy family in the important Confederate manufacturing center of Macon. The young scribe often voiced concern about the family’s pair of plantations outside town, and recorded his interactions and relationships with “servants” Howard, Allen, Eveline, and others as he pondered the fate of human bondage and his family’s declining fortunes. Unbeknownst to LeRoy, he was chronicling his own slow and painful descent toward death in tandem with the demise of the Southern Confederacy. He recorded—often in horrific detail—an increasingly painful and debilitating disease that robbed him of his childhood. The teenager’s declining health is a consistent thread coursing through his fascinating journals. “I feel more discouraged [and] less hopeful about getting well than I ever did before,” he wrote on March 17, 1863. “I am weaker and more helpless than I ever was.” Morphine and a score of other “remedies” did little to ease his suffering. Abscesses developed; nagging coughs and pain consumed him. Alternating between bouts of euphoria and despondency, he often wrote, “Saw off my leg.” The War Outside My Window, edited and annotated by Janet Croon with helpful footnotes and a detailed family biographical chart, captures the spirit and the character of a young privileged white teenager witnessing the demise of his world even as his own body slowly failed him. Just as Anne Frank has come down to us as the adolescent voice of World War II, LeRoy Gresham will now be remembered as the young voice of the Civil War South.

Becoming Mrs. Lewis - Patti Callahan - 2018-10-02
Now a USA TODAY and Publishers Weekly bestseller! Meet the brilliant writer, fiercely independent mother, and passionate woman who captured the heart of C.S. Lewis and inspired the books that still enchant and change us today. When poet and writer Joy Davidman began writing letters to C. S. Lewis—known as Jack—she was looking for spiritual answers, not love. Love, after all, wasn’t holding together her crumbling marriage. Everything about New Yorker Joy seemed ill-matched for an Oxford professor and the beloved writer of The Chronicles of Narnia, yet their minds bonded over their letters. Embarking on the adventure of her life, Joy traveled from America to England and back again, facing heartbreak and poverty, discovering friendship and faith, and against all odds, found a love that even the threat of death couldn’t destroy. In this masterful exploration of one of the greatest love stories of modern times, we meet a brilliant writer, a fiercely independent mother, and a passionate woman who changed the life of this respected author and inspired books that still enchant us and change us. Joy lived at a time when women weren’t meant to have a voice—and yet her love for Jack gave them both voices they didn’t know they had. At once a fascinating historical novel and a glimpse into a writer’s life, Becoming Mrs. Lewis is above all a love story—a love of literature and ideas and a love between a husband and wife that, in the end, was not impossible at all. Praise for Becoming Mrs. Lewis: “Becoming Mrs. Lewis deftly explores the life and work of Joy Davidman, a bold and brilliant woman who is long overdue her time in the spotlight. Carefully researched. Beautifully written. Deeply romantic. Fiercely intelligent. It is both a meditation on marriage and a whopping grand adventure. Touching, tender, and triumphant, this is a love story for the ages.” —Ariel Lawhon, New York Times bestselling author of I Was Anastasia

In 2015, The MX Book of New Sherlock Holmes Stories burst upon the scene, featuring adventures set within the correct time period, and written by many of today's leading Sherlockian authors from around the world. Those first three volumes were overwhelmingly received, and there were soon calls for additional collections. Since then, their popularity has only continued to grow. And now we present a new three-volume set. Like 2017’s two-volumes set, Eliminate the Impossible, this new collection, Whatever Remains . . . Must Be the Truth features tales of Holmes’s encounters with seemingly impossible events - ghosts and hauntings, cults and curses, mythical beasts and mediums, angels and demons, and more. In "The Sussex Vampire", Holmes tells Watson: "This agency stands flat-footed upon the ground, and there it must remain. The world is big enough for us. No ghosts need apply." In each of the stories presented in this huge three-volume collection, Holmes approaches the varied problems with one of his favorite maxims firmly in place: "...When you have eliminated the impossible whatever remains, however improbable, must be the truth . . . ." But what, exactly, is the truth? A Study in Scarlet, the first recorded adventure of Sherlock Holmes and Dr. John H. Watson, was first published in 1887. What an amazing journey
Holmes approaches the varied problems with one pitifully few sixty tales originally presented in The Canon, published between 1887 and 1927, there have been literally thousands of additional Holmes adventures in the form of books, short stories, radio and television episodes, movies, manuscripts, comics, and fan fiction. And yet, for those who are true friends and admirers of the Master Detective of Baker Street, where it is always 1895 (or a few decades on either side of that!) these stories are not enough. Give us more! The forty-nine stories in these three companion volumes represent some of the finest new Holmesian storytelling to be found, and honor the man described by Watson as "the best and wisest . . . whom I have ever known." All royalties from this collection are being donated by the writers for the benefit of the preservation of Undershaw, one of the former homes of Sir Arthur Conan Doyle. Part XVI – Whatever Remains Must Be the Truth (1881-1890) features contributions by: Derrick Belanger, Mark Sohn, Tracy J. Revels, Brenda Seabrooke, Kevin Thornton, Andrew Bryant, Josh Anderson & David Friend, David Marcum, I.A. Watson, Arthur Hall, Tim Gambrell, Shane Simmons, Bob Bishop, Mark Mower, Kelvin Jones, and Jayantika Ganguly, and with a poem by Josh Pachter, and forewords by David Marcum, Kareem Abdul-Jabbar, Roger Johnson, and Steve Emecz.

A Life Observed - Devin Brown - 2013-08-15
C. S. Lewis is one of the most influential Christian writers of our time. The Chronicles of Narnia has sold more than 100 million copies worldwide and all Lewis's works are estimated to sell 6 million copies annually. At the fiftieth anniversary of his death, Lewis expert Devin Brown brings the beloved author's story to life in a fresh, accessible, and moving biography through focusing on Lewis's spiritual journey. Although it was clear from the start that Lewis would be a writer, it was not always clear he would become a Christian. Drawing on Lewis's autobiographical works, books by those who knew him personally, and his apologetic and fictional writing, this book tells the inspiring story of Lewis's journey from cynical atheist to joyous Christian and challenges readers to follow their own calling. The book allows Lewis to tell his own life story in a uniquely powerful manner while shedding light on his best-known works.

Nothing Like a Duke - Jane Ashford - 2017-05-02
"Satisfying . . . Ashford's knack for expressing modern-feeling relationship dynamics while never stepping out of period makes this story especially easy to enjoy."—Publishers Weekly, STARRED Review A Pink of the ton and a bluestocking can have nothing in common. Except an incendiary attraction, a sinister enemy, and a determination to discover why they can't resist each other. Lord Robert Gresham has given up all hope that the beautiful and independent Flora Jennings will ever take him seriously. He heads to an exclusive country house party to forget about the beauty haunting his thoughts. Too bad the lady in question has no intention of being forgotten. Bargain - Jane Ashford - 2014-08-05
"A scintillating Regency adventure filled with dark and dangerous action." -Affaire de Coeur "Charmingly written, by a deft hand." -RT Book Reviews A scientifically minded nobleman Lord Alan Gresham is the sixth son of the Duke of Langford and, as such, has been allowed to remain at Oxford to pursue his scientific studies. When the prince regent asks him to debunk the "ghost" of a dead actress haunting Carlton House, he cannot refuse, and is forced back to the Society he deplores. But upon meeting the daughter of the alleged ghost, his calm, logical investigation is disrupted. Learns the breathless chemistry of desire Ariel Harding doesn't believe in ghosts, but she's determined to investigate this haunting. Her mother recently committed suicide, and Ariel is desperate to find the reason.
She'll work with Alan because he has access to Prinny's resources, but she never dreamed she'd make a perilous bargain with a man who's as maddeningly arrogant as he is confoundingly attractive.
