The main points were to balance the national budget by reducing debt and lower inflation, come up with a more efficient tax collection plan, dissolve the Reconstruction Finance Bank due to its uneconomical loans, decrease the scope of government intervention, and to fix the exchange rate to 360 yen to 1 US dollar to keep Japanese export prices low.

**Fall of China's Qing Dynasty: Causes and Consequences**
Jan 23, 2020 · When the last Chinese dynasty—the Qing dynasty—fell in 1911–1912, it marked the end of the nation’s incredibly long imperial history. That history stretched back at least as far as 221 BCE when Qin Shi Huangdi first united China into a single empire. During much of that time, China was the single, undisputed superpower in East Asia, with neighboring lands such...
